KEEPING YOUR INFORMATION UP TO DATE

Under the *Health Professions Act*, regulated health professionals are required to report any changes to their information to their college within 30 days.

This includes: changes to your name, contact information, academic record, employment status, restricted activities performed and registration(s) with other colleges.

Your contact, employer, education and professional registration information can easily be updated in College Connect, under **My Profile**.

Name changes can be completed through College Connect as well, with the **Change My Name** service in **Registrant Services**. You will need to have already legally changed your name with a government registry and have valid government-issued photo ID to use this service.
