

# AMENDED DISCIPLINARY COMPLAINT RESOLUTION AGREEMENT

pursuant to section 55(2)(a.1) of the *Health Professions Act*

**BETWEEN:**

**SUNITA MANDAPALLI, #85,539**  
(the “**Registrant**”)

and

**College and Association of Registered Nurses of Alberta**  
also known as **College of Registered Nurses of Alberta**  
(the “**College**”)

An Amended Disciplinary Complaint Resolution Agreement (“**ADCRA**”) was executed between the Registrant and the College, dated with effect **March 12, 2023**. The below constitutes a summary of such ADCRA:

Through a ADCRA with the College, SUNITA MANDAPALLI, #85,539 (the “**Registrant**”), acknowledged and admitted that their behaviour constituted unprofessional conduct. Particulars of the Registrant’s unprofessional conduct arises from four (4) complaints to the College include the following:

- The Registrant failed to meet the standard of a RN on more than one occasion in 2021 relating to documentation, assessment, medication administration, infection prevention and control and informing their RN mentor that they were prohibited from practicing independently.
- In 2022, the Registrant, while bound by a condition to be directly supervised in their practice setting by another RN, failed to demonstrate adequate judgment and failed to act honestly when they administered blood pressure medication to the incorrect patient and while their supervising RN was not actively observing their nursing practice. The Registrant further failed to uphold medication administration standards when they did not correctly identify a patient by their name band prior to administering blood pressure medication.
- In 2022, the Registrant, while bound by a condition to be indirectly supervised in their practice setting by another RN, failed to demonstrate adequate professionalism and failed to act with integrity, honesty and respect when they raised their voice, threw their identification card on the floor and made inappropriate and threatening comments towards their RN colleagues about their indirect supervision review of the Registrant’s practice, including asking them to remove information from the review.

The Registrant agreed to complete coursework on communication, medication management and critical thinking. They must also complete a self-improvement plan. Furthermore, they are prohibited from practicing as a RN in any capacity

until their practice setting is approved by the Complaints Director and must complete a period of direct supervision and monitoring in the practice setting when they return to work as a RN. Conditions shall appear on the College register and on the Registrant's practice permit.
